Preliminary Plans OK'd for North Side School

By SAMUEL C. RETNOLD
From news item
Preliminary plans for the proposed North side elementary school on the North side were approved Monday night by the Board of Education. Judge R. Fred of John J. Fink and associates presented details of the school, and floor

Office Building Zone Approved

Commercial zoning for an office building at the Triangle corner of Madison and S. Sherman streets received the city planning commission's approval Monday night. The commission required that the building be at least 10 stories high and include office space. The building is to be built on the site of the former Bell Telephone building.

Office Building Zone Approved

S. Hamilton Site Limitations Set

The commission required that the building be at least 10 stories high and include office space. The building is to be built on the site of the former Bell Telephone building.

In the Good Old Days

Now what would you make that? A man working in a machine shop? Or a student in a classroom? It's a reminder of the good old days. The author is a former teacher and is now a writer. He is writing about the days when he was a teacher and how things have changed since then.
