Good afternoon Cindy,

The agenda for tomorrow's meeting is attached; we intend for this to serve as a general guide for discussion topics but can of course deviate if the conversation leads us to other related topics.

Josh and I will be attending in person, as will Bruce Keyes (Foley & Lardner, outside environmental legal counsel to R2 Companies as the interested purchaser). We have also invited four other folks to join the meeting virtually:

- Max Meyers - Principal & CIO for R2 Companies - confirmed he will call in
- Zack Cupkovic - R2 Companies - pending
- Brendon Martin - General Counsel for R2 Companies - pending
- Vasilios Siomos - Jindal & Siomos, outside legal counsel to R2 Companies - pending

Thank you in advance for the short turn around to accommodate the meeting. Looking forward to some good discussions!

Adam

**Importance:** High

Hello Adam and/or Joshua,

I am still waiting on the promised agenda/list of discussion topics for tomorrow's meeting. It will be a much more useful meeting if I know what questions you and your clients have before the meeting!

Also, could you please send me a list of who is expected to attend AND if who will be coming in person and who will attend via MS Teams. Since the meeting invitation was forwarded, Outlook isn't helpful enough to show me that info!!
